✈ **LONDON / CAPE TOWN – Overnight:**

Depart on an overnight flight, to arrive Cape Town International Airport early the following morning. Having cleared customs pick up your hire car and transfer to your chosen accommodation.

🚗 **AIRPORT / STEENBERG GOLF ESTATE – Four Nights:**

Cape Town is without doubt one of the most beautiful destinations in the world. Blending the old with the new, it has a relaxed, almost continental atmosphere. The influence of early Dutch settlers in 1652, Malay slaves and British rulers has created a rich tapestry of culture not found anywhere else.

The 5 star graded Steenberg Country Hotel is situated on the Cape's oldest wine farm, a mere twenty-minute drive from the bustling heart of Cape Town. The hotel, which has twenty-four rooms, nestles in the tranquil Constantia Valley, against the slopes of the Steenberg Mountain, offering sweeping views over False Bay. Set amongst a working wine farm with breathtaking scenery, the estate boasts its own world-renowned working winery, which produces a selection of award winning fine wines. Well-marked walks in the area take the rambler through spectacular forests, over ravines and through beautiful botanical gardens. The Steenberg Estate is also home to an 18-hole Championship Golf Course.

STEENBERG GOLF ESTATE / ARABELLA (OVERBERG) – Three nights:

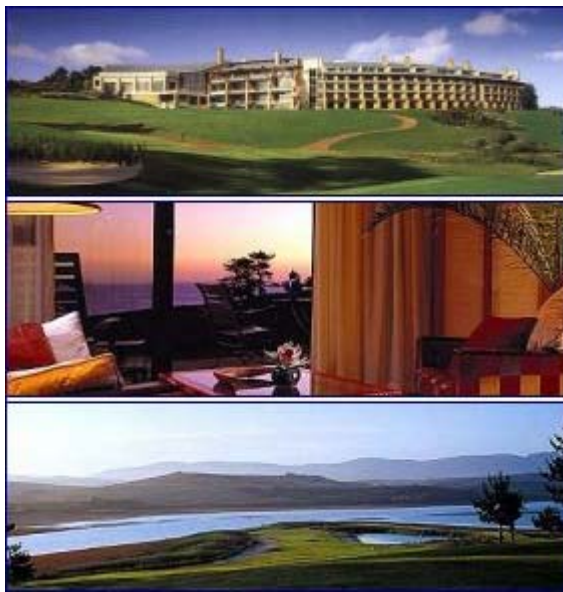

The most southerly region in Africa, east of the city of Cape Town is a fertile area surrounded by mountains and sea. The Overberg is the Cape's most jealously guarded secret, a region so rich in resources; its pleasures are boundless.

The Overberg coast, also known as the '**Whale Coast**', has the distinction of splitting the oceans. At Cape Agulhas, the southernmost tip of the continent, the waters are cleaved into the Atlantic and Indian Oceans. Rimmed by these two great oceans, it's a playground for all the inhabitants of the earth and sea, a nursery of the great Southern Right whale and a garden of delight, from its rare floral kingdom, to the fields of grain and orchards of fruit.

Nearby, **Hermanus**, a seaside resort, famous for its champagne air and offering the best land-based whale watching in the world is only 120km from Cape Town. Originally a fishing village, Hermanus is now a cosmopolitan town offering a wide variety of attractions. A haven for nature lovers, Hermanus boasts 14km of cliff walks and over 40km of invigorating walks in the Fernkloof Nature Reserve and pristine beaches.

The exclusive Western Hotel and Spa boasts a grand championship golf course and is situated on the Arabella Country Estate next to Southern Africa's largest and most beautiful lagoon. Only a short drive from the celebrated whale haven of Hermanus, the cosmopolitan city of Cape Town, Cape Agulhas- the southern most tip of Africa – the Cape wine route and the renowned Blaauwklippen Wine Farm, makes this location unique.

Guests are accommodated in 145 rooms; all with views of the golf course, mountains or water views. All of the spacious rooms or suites are well appointed with air-conditioning and balconies.

ARABELLA / STELLENBOSCH (WINELANDS) – Three nights:

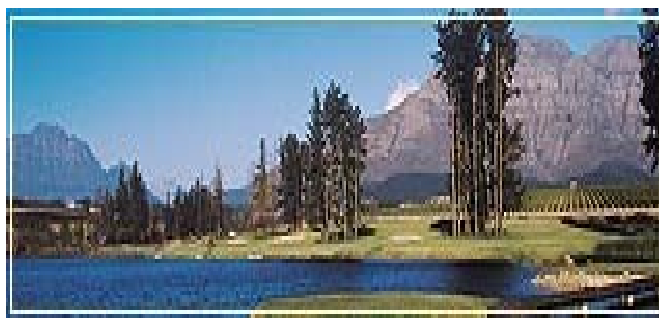

The Winelands of South Africa have been described as the most beautiful and scenic in the World, and is a true 365 days a year destination. Spring's beautiful still days are ideal for a hot air balloon ride, for taking long walks in the regions vineyards or attending one of the annual festivals at Stellenbosch or Franschhoek.

Stellenbosch, the oldest town in the country after Cape Town, is undoubtedly the most scenic and historically preserved town in Southern Africa. Oak-lined streets next to water furrows compliment the many fine examples of elegant Cape Dutch, Victorian and Georgian architecture – all part of this unique “Town of Oaks”.

Franschhoek was originally known as ‘Olifants Hoek’, after elephants took to calving in the sheltered valley. Between 1688 and 1690 land was apportioned to 200 Huguenots fleeing persecution in France. Finding the climate similar to that of France, the settlers planted vines. Today, 20 members of the Vignerons produce wines consumed throughout the world.

Situated in the heart of the world-renowned Cape **Stellenbosch Winelands**, on the Southern tip of Africa, **Spier** is undoubtedly the most unique Winelands development in the world. An enchanting venue overseen by a team dedicated to giving guests an unrivalled experience of 'unexpected pleasures'.

The Village at **Spier** - a 155-bed hotel on the estate just outside **Stellenbosch** in the heart of the world-renowned Cape Winelands - is only 15 minutes from the beaches of Gordon's Bay and the Strand and a quick 30-minute drive from central Cape Town.
